

The Aero Club of Buffalo

www.aeroclubofbuffalo.org

The Air Race Classic. Not quite the Bendix Air Races or in the Red Bull League, the Air Race Classic is the epicenter of women's air racing. Pilots range in age from 17 to 90+ years old. The Air Race Classic, Inc. is a nonprofit 501(c)(3) organization dedicated to: Encouraging and Educating current and future women pilots, increasing public awareness of general aviation, demonstrating women's roles in aviation and preserving and promoting the tradition of pioneering women in aviation. The women come from a wide variety of backgrounds including teachers, doctors, nurses, airline pilots, business owners, air traffic controllers and professional pilots. Race Teams, consisting of at least two women pilots, must fly under Visual Flight Rules during daylight hours only and are given four days to make flybys at each en-route timing point and then land at the terminus. The race route changes each year, approximately 2,400 statute miles in length with 8 or 9 timing points. Mary Mattocks (Willy) our illustrious President will regale us with her experiences and adventures having flown 4 air races in her beloved Piper Cherokee and now contemplating her 5th. (Upon reading this her husband has turned quite pale and taken to his bed as this is quite an expensive endeavor!)

Team 42: The Magpies
